Innovative Enhancements to Increase Productivity and Reliability

Accessories and Enhancements for Your Mailroom

Stack Lift Unit -

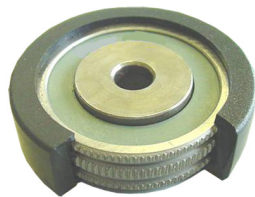

Backup stacker used for hand stack down only.

White Wheel Replacement

Old Carrier Wheel

FlexiRoll Stands - 7540.600

We have new and used FlexiRoll stands in stock. Each roll stand can store approximately 130,000 broadsheet pages with a maximum product size of 15 3/4" x 11/38".

White Wheel Replacement - 7586.1735.3

The carrier wheel is molded flush to the bearing edge as opposed to the older wheels that were molded over the edge. This prevents the wheel from cracking at the bearing edges.
